General and Revenue Secretariat.

Legis File No. 11 of 1916.

Serial No.

Extract from file No.186/I.& C.1917 18 re distillation of sandalwood oil by non-Government agencies.

X X X

The existing rules provide (i) that no person shall import sandalwood into, or export it from, the State or transport it from place to place -- within the State, without a permit, and (ii) that no person shall manufacture or distil oil from sandalwood without a license.

2. The Conservator of Forests appears to consider these provisions sufficient to safeguard the interests of the sandalwood monopoly. But, as pointed out by Mr.Chatterton, it is necessaty to place some restrictions upon the transport of sandalwood oil also. The Second Member, Mr. Baner ji, has also expressed the same opinion. It is desirable that the sale of sandalwood oil, -- other than that manufactured in the Government factories, and the undertaking of purifying crude oil by any person in the State should also be -- brought under Government control.

3. The following amendments of the rules now in force are accordingly suggested for consideration:-

(a) modification of rule 1 of the rules issued with Government Notification No.R.7103/Fl.21-11-1 dated the 22nd January 1916, as indicated in the copy of the notification herewith put up:

(b) inclusion of sandalwood oil in the definition of 'Forest produce' in S.2 (5) of the 'or Regulation, to legalise the amendment o

Flags.

NOTE—Contn. sheet.

G. R. S. III-2)

General and Revenue Secretariat. | Legis File No. 11 of 1916

Serial No.

referred to above, and

(c) insertion of the words 'or undertake to purify or sell such oil' after the word 'sandalwood' in line 2 of S.75 of the Forest Regulation.

4. The authority to grant permits for distillation, transport, etc. of sandalwood oil under S. 75 of the Forest Regulation and Rule 2 of the rules issued with Government Notification dated the 22nd January 1916 may be vested in the Director of Sandalwood Oil Factories.

5. If the above suggestions are approved, the Revenue Secretariat and the Legislative Department will be requested to take necessary action to give effect to the same.

X X X X

2nd Member)

Intd/ P.G.D.
16-6-18.

6. The present Forest Regulation and the sandalwood transit rules contain no provision, at least specific, as regards sandalwood oil and it appears to me that this is a loop-hole from the legal point of view. So amendments on the lines indicated appear to be necessary and further action with reference to these is best taken now by the Revenue and the Legislative Branches.

Final Note by the Second Member of Council.

Subject:— Amendment of the Mysore Forest Regulation.

30) The Mysore Forest Regulation, (IX) of 1900, as amended by Regulation IX of 1901, contains provisions for controlling the sale, transit, export and import of sandalwood but not of sandalwood oil. Since oil is now extracted from sandalwood produced in the State in the factories that Government have established for the purpose, it is necessary to amend the Regulation so as to enable Government to control trade in that oil as well as its manufacture by others within the State.

31) The present bill is designed to meet the above object.

32) The Conservator of Forests and the Director of sandalwood oil factories have been consulted. The Bill has been approved by the Members of Council. The sanction of His Highness the Maharaja is required to place the bill before the Legislative Council.

33) After the bill is passed into law, necessary alterations will be made in the rules.

25th Sept.1918.

Final Note by the Second Member of Council.

Subject:—

Promulation of the Bill further to amend the Mysore Forest Regulation, 1900, into law.

---

52) The gracious sanction of His Highness was accorded, on the 2nd October 1918, to place the Bill before the Legislative Council. Leave was granted by the Legislative Council on the 24th March 1919. The Bill was read and referred to a Select Committee on the 12th May 1919. The Select Committee recommended certain alterations in the wording of Clause 2 of the Bill. The suggestion was accepted by the Legislative Council, and the Bill, as thus altered, was finally passed at the meeting of the Legislative Council held on the 15th June 1920 after obtaining the sanction of the Government of India thereto.

2. 53) Gracious sanction of His Highness is now solicited for the promulgation of the Bill into law.

Bill further to amend the Mysore Forest Regulation, 1900.

Whereas it is expedient further to amend the Mysore Forest Regulation, 1900; His Highness the Maharaja is pleased to enact as follows:-

Amendment of Section 2 of the Regulation.

(1) In sub section (5.) (a) of section 2 the words "sandalwood oil" shall be inserted after the words "wood oil".

Amendment of Section 75 of the Regulation.

(2) In section 75 the words "or sell or refine, or undertake to sell or refine, oil extracted from sandalwood," shall be inserted after the word "sandalwood".

4/8/18

Statement of objects and reasons.

The Mysore Forest Regulation, XI of 1900, as amended by Regulation IX of 1901, contains no provision for controlling the sale, transit, export and import of sandalwood oil. As the sandalwood produced in the State is now used for extracting oil in the factories which Government have established for the purpose, it is necessary to amend the Regulation so as to enable Government to take such action as they may consider expedient in the interests of these commercial concerns. The present Bill is designed to meet the above object.

Notification.

The rules issued under Govt. Notification No.R.7103/Ft.21-11-3 dated the 22nd January 1916 for the control of the transit of sandalwood within the Mysore State and of its import into and export from the State are hereby revised as follows:-

(i) For Rule 1 substitute

"1.'Sandalwood' includes roots, billets, pieces sawn or unsawn, chips and sawdust containing any heartwood and oil or other product extracted therefrom, but does not include sandalwood carved or otherwise utilised for purposes of art or for domestic purposes."

(2) Add the following words 'or the Director of Sandalwood Oil Factories, as the case may be' after 'the Conservator of Forests' in the Note under rule 4 and insert the following as Note 1 under the said rule; numbering the existing Note as Note 2:-

'So far as sandalwood oil is concerned such permits will be granted by the Director of --- Sandalwood Oil Factories in the form to be prescribed by Government'

2. Licenses for the purposes specified in S.7 of the Mysore Forest Regulation, as amended by Regulation ..... of 1918, will be issued by the Director of Sandalwood Oil Factories.

SANDALWOOD OIL FACTORY.
SANKEY'S LODGE,
Bangalore, dated 27th August 1918.

No. 702

From

ALFRED CHATTERTON, Esq., F.C.G.I., C.I.E.,
Director of Sandalwood Oil Factories in Mysore,
Bangalore, South India.

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore..

DEAR SIR,

In reply to your No.G.4105-6/Legis.11-18-1 dated the 26th of August 1918, I have the honour to forward the following remarks on the draft Bill further to amend the Mysore Forest Regulation, 1900.

Statement of Objects and Reasons: I would suggest the following amendment to the sentence which runs as follows: "As the sandalwood produced in the State is now used forextracting Oil in the factories which Government have established for the purpose ....." "As Sandalwood Oil is now extracted from Sandalwood produced in the State in the Factories which Government have established for the purpose" This slight change is better English and more clearly expresses what is actually done.

Section 2. I see no objection to the inclusion of Sandalwood Oil under the definition 'Forest Produce' as it comes under the same category as catechu which is a partially manufactured product from raw material found in the forest.

Section 75. This clause might run as follows: " No person shall

shall manufacture, distil, redistil, refine or sell oil from sandalwood or undertake to manufacture, distil, redistil, refine or sell oil extracted from sandalwood without a license in that behalf to be granted by such authority and subject to such restrictions and conditions as the Government may from time to time prescribe."

NOTIFICATION. Heading: Add "and of Sandalwood Oil" after the existing heading which reads as follows: "Control of the transit of Sandalwood."

Rule (1) It does not seem to me to be necessary to state that sandalwood includes sandalwood oil.

Rule (2) After "sandalwood" add "or sandalwood oil".

Rule 4 sub-clause (2) After "Mysore" add "permits to trade in sandalwood oil will be granted by the Director of Sandalwood Oil Factories in the form prescribed by Government."

In the note appended to this sub-clause, after the words, "Conservator of Forests" add "or Director of Sandalwood Oil Factories."

The new clause which runs as follows "Licenses for the purposes specified in S.75 ....." will, I presume, form Rule 9 of the Notification.

I return herewith the papers sent with the above reference.

I have the honour to be,

S i r,

Your most obedient servant

Director.

shall manufacture, distil, redistil, refine or sell oil from sandalwood or undertake to manufacture, distil, redistil, refine or sell oil extracted from sandalwood without a license in that behalf to be granted by such authority and subject to such restrictions and conditions as the Government may from time to time prescribe."

NOTIFICATION. Heading: Add "and of Sandalwood Oil" after the existing heading which reads as follows: "Control of the transit of Sandalwood."

Rule (1) It does not seem to me to be necessary to state that sandalwood includes sandalwood oil.

Rule (2) After "sandalwood" add "or sandalwood oil".

Rule 4 sub-clause (2) After "Mysore" add "permits to trade in sandalwood oil will be granted by the Director of Sandalwood Oil Factories in the form prescribed by Government."

In the note appended to this sub-clause, after the words, "Conservator of Forests" add "or Director of Sandalwood Oil Factories."

Conservator's Office,

No. 2587 Dated, Bangalore, 2.8.1... August 18.

From

M.G.Rama Rao, Esquire, B.A.,

Conservator of Forests in Mysore,

B A N G A L O R E.

To

C.S.Balasundaram Iyer, Esq., B.A.,

Chief Secretary to the Government

of H.H. the Maharaja of Mysore.

Sir,

With reference to your letter No. G.4105-6/Legis.11-18-1 of the 26th instant, regarding the further amendment of the Mysore Forest Regulation of 1900, I have the honour to state that the amendments proposed are alright and meet the requirements so far as the Sandalwood Oil is concerned. I would, however, take this opportunity to have a clear ruling about the prohibition of the sale of Sandalwood in the State. As it is, Sec. 75 of the Regulation is silent on the point, the reference made therein being applicable only to the manufacture and distillation of oil. In the sandal transit rules, issued under notification No. R.7103/Ft.21-11-3 dated the 22nd January 1916, nothing is said about the sale of Sandalwood in the State by private persons, though in clause 2 thereof, due restriction has been placed upon its import into, export from and transit from place to place within the State. The only reference we find about private sales is contained in Rule 11 of the Rules for the sale of Sandalwood by public auction issued under Notification No. 822/Ft. 16-96 dated the 5th June 1901. From the context of this rule, it is clear that the sale prohibited therein has reference only to the Sandalwood sold from the State Kotles, by public auction, and not to wood that may be imported

imported into the State for the purpose. It may be said, however, that such sales may be controlled by refusing to grant license under clause 2 of the Sandal transit rules; but when the revision is once taken in hand, it would be better to clear this point as well. I would therefore propose that in addition to the amendments proposed in Sec.75, the following may be inserted after the word "shall" in the first sentence of the said section:- "Sell or undertake to sell Sandalwood or". The Section will, after these amendments, read as follows:-

"No person shall sell or undertake to sell "sandalwood or manufacture or distill oil from "sandalwood, or sell or refine or undertake to "sell or refine oil extracted from Sandalwood "without a license in that behalf to be granted "by such authority and subject to such restrictions "and conditions as the Government may, from time to time, "prescribe."

The enclosures are returned herewith.

I have the honour to be,

Sir,

Your most obedient servant,

Conservator of Forests.

27/3

NOTIFICATION.

No. 269—L. C., dated 2nd April 1919.

Under Rule 31 of the Rules for the conduct of business of the Mysore Legislative Council, the accompanying Bill further to amend the Mysore Forest Regulation, 1900, is published for general information with the statement of objects and reasons.

By Order,
P. MAHADEVAYYA,
Secretary, Mysore Legislative Council.

Bill further to amend the Mysore Forest Regulation, 1900.

Whereas it is expedient further to amend the Mysore Forest Regulation, 1900; His Highness the Maharaja is pleased to enact as follows:—

Amendment of section 2 of the Regulation.

1. In sub-section (5) (*a*) of section 2, the words "sandalwood oil" shall be inserted after the words "wood oil."

Amendment of section 75 of the Regulation.

2. For the present section 75 the following shall be substituted;—

75. No person shall manufacture, distil, redistil, refine or sell oil from sandalwood or undertake to manufacture, distil, redistil, refine or sell oil extracted from sandalwood without a license in that behalf to be granted by such authority and subject to such restrictions and conditions as the Government may from time to time prescribe.

STATEMENT OF OBJECTS AND REASONS.

The Mysore Forest Regulation, XI of 1900, as amended by Regulation IX of 1901, contains provisions for controlling the sale, transit, export and import of sandalwood but not of sandalwood oil.

As sandalwood oil is now extracted from sandalwood produced in the State in the factories which Government have established for the purpose, it is necessary to amend the Regulation so as to enable Government to take such action as they may consider expedient in the interests of these commercial concerns. The present Bill is designed to meet the above object.

Report of the Select Committee on the Bill to further Amend the Mysore Forest Regulation, 1900

We, the members of the Select committee appointed to consider the above Bill, beg to report that we have examined the provisions thereof. While we agree to the adoption of clause 1 of the Bill as it stands, we consider that the wording of clause 2 requires alteration as it is intended that the sale of wood without a license should also be penalised. We further think that the word 'attempts' should be substituted for the word 'undertakes' so as to be in consonance with legal phraseology. As thus revised Section 75 stands as follows:-

"No person shall sell or attempt to sell sandalwood, or manufacture or distil or attempt to manufacture or distil oil from sandalwood, or redistil, refine or sell or attempt to redistil, refine or sell oil extracted from sandalwood except under a license granted by such authority and subject to such restrictions and conditions as Govt may from time to time prescribe in this behalf.

With the above alteration we recommend that the Bill be passed and that it need not be published in the Gazette.
